

Module 15: Customize the Status Bar

15.1 Customize the Status Bar

In Excel the status bar at the bottom of the page will display the status of the options that have been selected to appear there.

With the customizable options you can have the status bar display the options that you find most useful in your work space.

To customize the status bar you can right click over it, and select the options you want displayed.

Some of the options available are:

- Cell Mode
- Caps Lock
- Num Lock
- Scroll Lock
- Fixed Decima
- Overtyping Mode
- End Mode
- Macro Recording
- Page Number
- Average
- Count

- Numerical Count
- Minimum
- Maximum
- Sum
- View Shortcuts
- Zoom
- Zoom Slider
- Signatures
- Information Management Policy
- Permissions
