- How to make a twisty hat

26.1: Step-by-step Guide

Twisty hats are a fun balloon to make and are popular with all age groups from kids right through to adults.

See how to make one below:

Step 1

Get two different coloured balloons and inflate them all the way to the end leaving just a little bit

deflated.

Step 2

Put two of the balloons together and overlap them.

Step 3

Check that they will fit around the models head then pinch twist them together.

Step 4

Place around the models head and then twist the other end together.

Step 5

Grab hold of the tow long pieces of balloon and start cross twisting them together.

Step 6

Keep twisting them together all the way to the top...

Then pinch twist the balloons together to lock them together.
