

Task:

Salon Planning

Plan a layout for your salon. Create your own scale and then add the items listed at the bottom of the page, plus any others you would like to have to the 2d layout below.

Include these items:

- 2 x workstations
- Reception desk
- Waiting area (seating & coffee table)
- Display cabinets for products
- Staff area

Make a note of:

- Colour scheme
- Floor type
- Decorative items / pictures
- Lighting
- Furniture materials

* Until you have found your perfect location it is impossible to plan exactly how your salon will look, but by doing this exercise it will get you thinking about the challenges of salon layout.
